

PETERBOROUGH MOTOR CLUB Newsletter - January 2010

Happy New Year to all our Club Members and their families!

It doesn't seem five minutes since I was saying the same thing last year, but we've had another year's motoring, competition and just showing off the cars and we've another year of the same to look forward to. We've got some more members and some very interesting cars in the form of our Classic section and some more competing members with the Barkston Heath sprinters. All I can say is that I hope this year brings better weather than last year (or perhaps that should be less rain than last year) so that we can get the cars out more.

Last month's Christmas Buffet was well-attended and the food was excellent (as usual). David and Jackie Catling organised a photo quiz which was won by the Ladies on Table 6 – the photos only included one from the world of Motorsport, who went unrecognised by one and all! This month we are having a natter and next month we have a Quiz.

We have a new member in the shape of Gary Raffray from Peterborough, who has a 3-litre Marcos.

The next item on our Sporting Calendar will be the Pollard Sporting Trial on 28th February, which is being organised by Lyn Jones. As yet I have no details as to which site is being used, but please make a note of the date and go along and help marshal – a day in the country air is always nice.

This year we are intending to run a Club Championship whereby you get points for all sorts of things, both competitive and non-competitive – but only if they are reported in the magazine – so if you do anything, write about it! Full details will be in the next magazine.

If anyone is intending to go to the Dinner, please contact David Catling BEFORE 15th January. The speaker will be our very own "Iain Crighton".

The deadline for articles and photos for the next colour magazine is 20th January.

Calendar of Events
